Why This Programme

From Classroom to Career

Academic success is important, but the workplace requires more than good grades.

Today's young talent must be able to communicate clearly, present themselves professionally, understand their strengths, adapt to uncertainty and interact with business leaders confidently.

The HKGCC Youth Summer Career Programme 2026 is designed to bridge this gap. Through practical training, workplace exposure and direct interaction with Chamber and industry leaders, students will develop the human skills needed to stand out in internships, interviews and early-career opportunities.

For Parents: A Serious Career Readiness Investment

Want your child to step away from the screen and build confidence in the real business world?

The programme gives students early exposure to real business environments, senior leaders, HR expectations and practical communication training.

It is not a classroom-style summer course. It is a structured career readiness experience led by the Chamber's business network, designed to help young people build the confidence, judgment and professional awareness needed for internships, interviews and future careers.

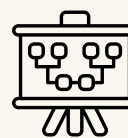

**Value That
Lasts Beyond
The Classroom**

**Build
confidence**

**Meet
leaders**

**Gain
workplace
exposure**

**Stand out
for internships
and early
careers**

This Chamber-led programme empowers young talent with the human skills, workplace insight and leader connections they need to thrive in the real world.

What Makes This Different

Why HKGCC

Through HKGCC's business network, students gain access to leaders, workplace exposure and practical learning experiences that go beyond a conventional summer programme.

1

Chamber Business Network

Participants gain exposure to HKGCC's business ecosystem, including Chamber leaders, industry professionals, HR representatives and corporate guests.

2

Real Workplace Immersion

Participants will visit **Cathay City** for workplace observation and business exposure, helping them connect learning with real corporate environments.

3

Power Lunch - Junior Series

Across the 4 days, students will join Power Lunch - Junior sessions with **4+** Chamber and industry leaders. These lunches are designed for leadership sharing, business etiquette practice, professional conversation and confidence building.

4

Application, Not Lectures

The programme includes interactive workshops, self-awareness exercises, personal branding practice, individual presentation, pitching training and a final group showcase.

5

Career Follow-up

All graduates will receive a Chamber's Internship Priority Review / Interview. Top performers may be considered for additional recognition and internship opportunities.

What Students Will Learn

Core Learning Pillars

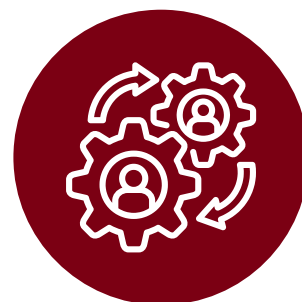

Personal Branding & Executive Presence

Students will learn how to introduce themselves professionally, create a strong first impression, communicate with confidence and present their personal strengths clearly.

Future Thinking & Career Mindset

Students will explore how to think beyond fixed career paths, recognise future trends, adapt to uncertainty and take proactive ownership of their development.

Self-Awareness & Team Dynamics

Through colour-based self-awareness and team exercises, students will better understand their strengths, working style, stress responses and how to collaborate with others.

Workplace Exposure & Business Understanding

The **Cathay City** visit, Power Lunch - Junior and Chamber-led interactions will help students understand workplace expectations, professional behaviour and real-world business contexts.

Pitching & Presentation Skills

Students will practise how to structure ideas, present with confidence, engage audiences and communicate effectively under pressure.

Awards & Career Opportunities

Your Career Takeaways

Every participant will complete the programme with practical outputs that support their next step into internships, university interviews or early-career opportunities.

All graduates receive:

HKGCC Certificate of Completion

Letter of Recognition

Individual Presentation Video for LinkedIn / portfolio use, subject to consent

Chamber's Internship Priority Review / Interview

Awards opportunities - individual presentation and group showcase awards recognising communication, confidence, future thinking, teamwork and real-world application.

Final Career Launch Showcase experience before Chamber and business leaders

Grand Prize

The winner of the **Best Professional Introduction Award** will receive a *Guaranteed HKGCC Internship Offer*, subject to eligibility, availability and standard onboarding requirements.
